

Chapter Nine: Animal Control

900 Purpose

This ordinance is designed to regulate the licensing and conduct of dogs.

901 Definition of Terms

As used in this ordinance, unless the context shall otherwise indicate, the following terms shall be defined as herein set forth:

1. **Dog:** Any member of the family canidae.
2. **Owner:** Any person, group, association or organization maintaining, keeping, caring for, harboring, or owning a dog.
3. **At Large:** Off the premises or property of the owner while not on a leash, not under the physical control of a responsible person, and not confined within a vehicle.
4. **Enclosure:** Shall be intended to mean any structure, fenced or otherwise, which is secure on all sides, top and bottom, so as to prevent the exiting of the dog or entrance of young children. Said enclosure shall be of a proper size as regulated by State Statute.
5. **Vicious Dog:** Shall be intended to mean any dog which growls, snaps at, bites or chases any person or persons while on foot or on any propelled vehicle. It shall also include any dog which has attacked any animal, as domestic or wild.
6. **Growl:** Is an indication of a dog's imminent attack, usually accompanied by the bearing of teeth and the fur on its back standing up. (Guttural threatening sounds made by an angry animal; low guttural menacing sound as a dog; a deep, angry, throaty noise as of a dog.)
7. **Chasing:** Cats or any other animal is not a part of the ordinance. Dogs would only be considered vicious if they attacked the animal causing injury or death. The ordinance is to supplement RSA 466:36 which authorizes the killing of dogs found in active pursuit. In most cases, the dog leaves the scene without being killed and, therefore, needs to be designated a future danger to the public and other animals.
